AN otherwise promising young man of this county went last week suddenly and prematurely to his grave, with twenty-five cigarettes a day to his credit. What a glorious record; and who'll be next?

ABOUT the smoothest financier that has happened this year is that St. Louis man who bought a suit of clothes on the installment plan, sold it, bought a revolver with the proceeds, and then shot his wife and himself to death.

IT may not mean much; but it does look like the Supreme Court's order to stay the mandate in the Jim Howard case was an indication that the learned Judges have been thinking over some of the facts brought out in the arguments of the Caleb Powers case.

Does it pay to advertise? Just ask Mr. J. M. NESBITT or Major W. H. MEANS, a couple of Maysville merchants who last week took prominent space in THE LEDGER to advertise closing-out bargains. Several times Saturday the crowds were so great at both stores that it was necessary to close the doors.

CONGRESSMAN HULL of Iowa, Chairman of the House Committee on Military Affairs, says Army officers who travel on Government transports have been drawing mileage, and that at least \$500,000 have been "grafted" in this way. When officers in the military service are guilty of systematically defrauding Uncle Sam, what can be expected of a civil service clerk?

THE Senate almost unanimously passed a bill prohibiting the sale of a toy pistol or a large firecracker to a child. But why to a child only? Why not restrain the grown-up idiots who buy these death-traps and give them to innocent children?

A BUNCH of Boston women are going to ask Miss ALICE ROOSEVELT to bar wine from her wedding breakfast. Why don't they bar the vile stuff sold for whisky in their home town? However, the world is full of people who prefer to regulate the affairs of others to the neglect of their own.

THIS may be regarded as important—if true—

BALTIMORE, MD., February 2d—GARRETT SERVISS says the planet Mars is approaching the earth and will soon glow blood red. He believes the other planets are inhabited.

THE Court of Appeals is wrestling with a recent legislative enactment designed to break up Berea College, where white and black students are admitted alike. Hon. JOHN G. CARLISLE, for the College, appeared before the Court last Friday, arguing that the law was unconstitutional, and citing the case of Clark v. The Maryland Institute, wherein the Supreme Court of Maryland held that education in a private school is not a matter of public or state control, and the private school can do as it pleases in the selection of its pupils.

Constipation is the result of indigestion, biliousness, flatulency, loss of appetite, self-poisoning, anemia, emaciation, uric acid, neuralgia in various parts of the system, catarrhal inflammation of the intestinal canal and numerous other ailments that rob life of its pleasures if they do not finally rob you of life itself.
"I'm bound in the bowels," is a common expression of people who look miserable and are miserable—yet who persist in "letting nature take its course."
What a foolish plan, when nature could be aided by the use of Green's August Flower, which is nature's own remedy for constipation and all stomach ills.

Tired, Nervous Mothers

Make Unhappy Homes—Their Condition Irritates Both Husband and Children—How Thousands of Mothers Have Been Saved From Nervous Prostration and Made Strong and Well.

Mrs. Chester Curry

Mrs. Chas. F. Brown

A nervous, irritable mother, often on the verge of hysterics, is unfit to care for children; it ruins a child's disposition and reacts upon herself. The trouble between children and their mothers too often is due to the fact that the mother has some female weakness, and she is entirely unfit to bear the strain upon her nerves that governing children involves; it is impossible for her to do anything calmly.

The ills of women act like a firebrand upon the nerves, consequently nine-tenths of the nervous prostration, nervous despondency, "the blues," sleeplessness, and nervous irritability of women arise from some derangement of the female organism.

Do you experience fits of depression with restlessness, alternating with extreme irritability? Are your spirits easily affected, so that one minute you laugh, and the next minute you feel like crying?

Do you feel something like a ball rising in your throat and threatening to choke you; all the senses perverted, morbidly sensitive to light and sound; pain in the abdominal region, and between the shoulders; bearing-down pains; nervous dyspepsia and almost continually cross and snappy?

If so, your nerves are in a shattered condition, and you are threatened with nervous prostration.

Proof is monumental that nothing in the world is better for nervous prostration than Lydia E. Pinkham's Vegetable Compound; thousands and thousands of women can testify to this fact.

Ask Mrs. Pinkham's Advice—A Woman Best Understands a Woman's Ills.

NATURAL GAS.

Mr. Editor: Having decided to make your city my future home, and realizing your needs along some lines, we feel like we would be a poor citizen indeed if we did not use our best efforts for each and every improvement for the welfare of Maysville and her people. We have therefore turned our attention to an industry which we know from experience will be of great benefit to each and every resident.

Maysville is the only city between her borders and the city of Pittsburgh that has not the advantages of Natural Gas.

If it is a great advantage and benefit to other towns and cities, why should not Maysville have the same?

We will go before your honorable Council and ask them to carefully go over a proposition with us to grant a franchise giving us the right to lay pipes through the several streets and alleys of Maysville for the purpose of supplying Natural Gas.

We only ask a fair and impartial hearing. As we think Maysville has everything to gain and nothing to lose, we will only be too glad at any time to go into detail along these lines with each and any of your citizens, and explain to them the great advantage that can be gained. Yours respectfully, J. W. PRALL.

Public Land Sale

I will offer at public sale to the highest and best bidder on

Thursday, February 8th, 1906

at 1 o'clock p. m. (sun time), our Fleming county farm, lying 2 1/2 miles Northwest of Ewing, between the Metcalfe Mill Turpike road and the Fairview and Ewing pike, 1/2 mile from the first and 2 miles from the latter, and adjoining the Givens and A. M. Powell farms, and consisting of 275 acres, with 2 good, comfortable dwellings, 2 tobacco barns 40x60 each; never failing well of water in each yard and good outbuildings at each dwelling, with Johnson Creek running through the center of the farm its full length, making 2 farms, one 140 and the other 135 acres. Each farm has a dwelling and tobacco barn on it, with its lots and outbuildings all suitable for 2 homes. Said farm is today and has been for last 35 or 40 years in old Kentucky bluegrass and used mostly for a stock farm, for which its equal can scarcely be found in the state. There is a large acreage on each farm of the finest bottom land, with timber on each for all practical use on each farm. This land is not only adapted to the growth of corn and tobacco, but is now ready for either, being in as high a state of cultivation as grass and good farming can make it. I will sell said land as a whole or in two tracts to suit purchasers. For further particulars address the undersigned. Sale will be made on the land and the terms 1/4 cash 1st of March, 1906, the remainder in 2 equal annual payments bearing 5% interest per annum from the 1st of March, 1906. H. C. HAWKINS, Auctioneer, J. S. POGUE, Agent. Mayslick, Mason county, Ky. Jan 24-27-31; Feb 3-5.

River
News

The gage marks 15.4 and falling.

The Keystone State is due down tonight from Pittsburgh.

The Marine Ways along the Ohio are pretty busy just now.

A new derrick boat being built at Levanna will be finished in a few days.

The Crown Hill, owned by the Crane Lumber Company of Cincinnati, has been ordered out of service until a new hull is built under her.

Twenty-one steamboats, big and little, were built during the year 1905. Howard built most of them in his boatyard near Louisville.

Many of the towboats which were in the lower river are being rushed Northward with empties which are badly needed at the mines.

The Boaz, Coal City and Volunteer got into the Pittsburgh harbor with their tows of empties, while the Raymond Horner had to tie up at Sewickley on account of low water.

The Queen City is to be the only boat to make a special Mardi-Gras excursion to New Orleans this month. She will be twenty-one days making the trip from Pittsburgh and back.

The Monongahela River Consolidated Coal and Coke Company of Pittsburgh has done a record-breaking business during the past twelve months, and is still mining and shipping coal in great quantities. The river has been very favorable and the boats fortunate.

Coal shipments for an indefinite period are over at Pittsburgh. The suspension of tow-boat movements is due to the sudden fall in the river, which was brought on by the cold wave. While an excellent stage prevailed there the rivermen were unable to take advantage of it, owing to the dearth of coal. Now that there is a supply of coal on hand the shipment of it is impossible because of the low stage of the water.

AFTER GRIPPE

Or Any Severe Sickness Druggist John C. Pecor Advises Maysville People to Take Vinol

Mrs. S. C. Berry of Middletown, Conn., writes "The grippe left me in a very weakened condition, no appetite, thin, nervous, no vitality and a bad cough. I had hemorrhages, and nothing seemed to help me. I read of what your cod liver oil preparation, Vinol, had done for others and decided to try it. I found that it soon gave me a hearty appetite; my cough disappeared; my health and strength returned until I felt like a new creature. I consider Vinol a wonderful medicine, as it makes strength and vitality so fast."

Our local druggist, Mr. John C. Pecor, says: "We have never sold in our store a more valuable strength-creator and health restorer for the convalescent than Vinol. This is because Vinol contains in a concentrated form all of the vital principles of cod liver oil, but without a drop of oil to upset the stomach and retard its work."

"Vinol tones up the digestive organs and renews the strength of every organ of the body. "We ask every person in Maysville who has been ill to try Vinol on our guarantee to build them up and make them well and strong. We return money if it fails." JOHN C. PECOR, Druggist.

BAD BREATH

"For months I had great trouble with my stomach and used all kinds of medicine. My tongue has been actually as green as grass, my breath having a bad odor. Two weeks ago a friend recommended Cascarets and after using them I can willingly and cheerfully say that they have entirely cured me. I therefore let you know that I shall recommend them to any one suffering from such troubles."

THE PATIENCE OF JOB

Could Hardly Endure the Torment of Itching Piles.

Itching piles is constant torment—so is eczema.

No comfort all day, no rest at night.

Can't keep your mind on work.

No use to go to bed.

Suffer no longer; use Doan's Ointment. It gives relief in five or ten minutes. It cures in a short time—cures you to stay cured.

Maysville people endorse it.

Mrs. S. F. Tolle, of 117 Short street, Maysville, Ky., says:

"Before I used Doan's Ointment, in March 1900, I had suffered for a long while with itching hemorrhoids. I had tried persistently to rid myself of the trouble but without success, and anybody who has known the tortures of this complaint will understand what I suffered. Doan's Ointment, procured at J. J. Wood & Son's Drugstore, cured me, as stated in a testimonial given at that time, and during the five years past I have had no return of the trouble. It required only one box to bring this gratifying result. I have used Doan's Ointment for other purposes, and find that it is a specific for skin troubles and all itching diseases."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no substitute.
